APRIL 3, 2012

IN RE: Application of KB Enterprises, Inc. d/b/a) ORDER APPROVING
 Two Men and a Truck for Approval to) FUEL SURCHARGE
 Charge a Four Percent (4%) Fuel Surcharge)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Application, filed March 19, 2012, by KB Enterprises, Inc. d/b/a Two Men and a Truck (KB Enterprises or the Company) for an amendment to the Company's fuel surcharge. KB Enterprises presently holds a Class E Certificate of Public Convenience and Necessity to transport household goods in South Carolina.

KB Enterprises requests to increase the Company's current fuel surcharge of two percent (2%) to four percent (4%), to be computed on the total regulated charges assessed to the Company's customers. The Company was authorized to charge the 2% fuel surcharge by Commission Order No. 2005-541 issued October 3, 2005. KB Enterprises states that the Company's request is necessitated by the marked increase in fuel charges since the issuance of Order No. 2005-541.

Through correspondence filed March 20, 2012, the South Carolina Office of Regulatory Staff (ORS) advises that ORS has completed its review of KB Enterprises' request to amend the Company's fuel surcharge and states that it has no objection to the requested increase.

We have considered the Application and conclude that the increase in the fuel surcharge proposed by KB Enterprises is just and reasonable, particularly in light of the significant increase in motor fuel prices since 2005. Accordingly, the Application of KB Enterprises, Inc. d/b/a Two Men and a Truck is approved as filed.

This Order shall remain in full force and effect until further order of the Commission.
